

Oak Grove Baptist Church

Volunteer Needed: CDL Bus Driver

The fellowship at Oak Grove Baptist Church is in need of a couple CDL bus drivers that will be willing to take ministries of all ages (from children and youth to our senior adults) on road-trips, mission trips, outings, and everything in between both local and beyond in our van and 25 person bus. Our 25-passenger bus requires an up to date CDL license for those who operate it. If you don't have a CDL license and feel led to help the church in this area, please contact the church office at 704-739-4833 or via email at ogbc1022@gmail.com and give your name and number to our church secretary for consideration.

The church is prepared to help those interested in serving in this ministry by helping to pay for individuals who currently do not have their CDL license. Please advise if you do not have your CDL license as of yet. For insurance purposes, there will be a screening process for potential drivers. Potential drivers should have good health and no major traffic violations that might keep them from being eligible to drive through our current car/van insurance with the church. Only members of the church ages 21 and over will be considered. Candidates will be vetted through our bus and van committee and names presented to the deacons for consideration. This is a non-paid position.
